

Spring 2025 FPAW Meeting Goals and Objectives

Matt Fronzak

FPAW Co-Chair

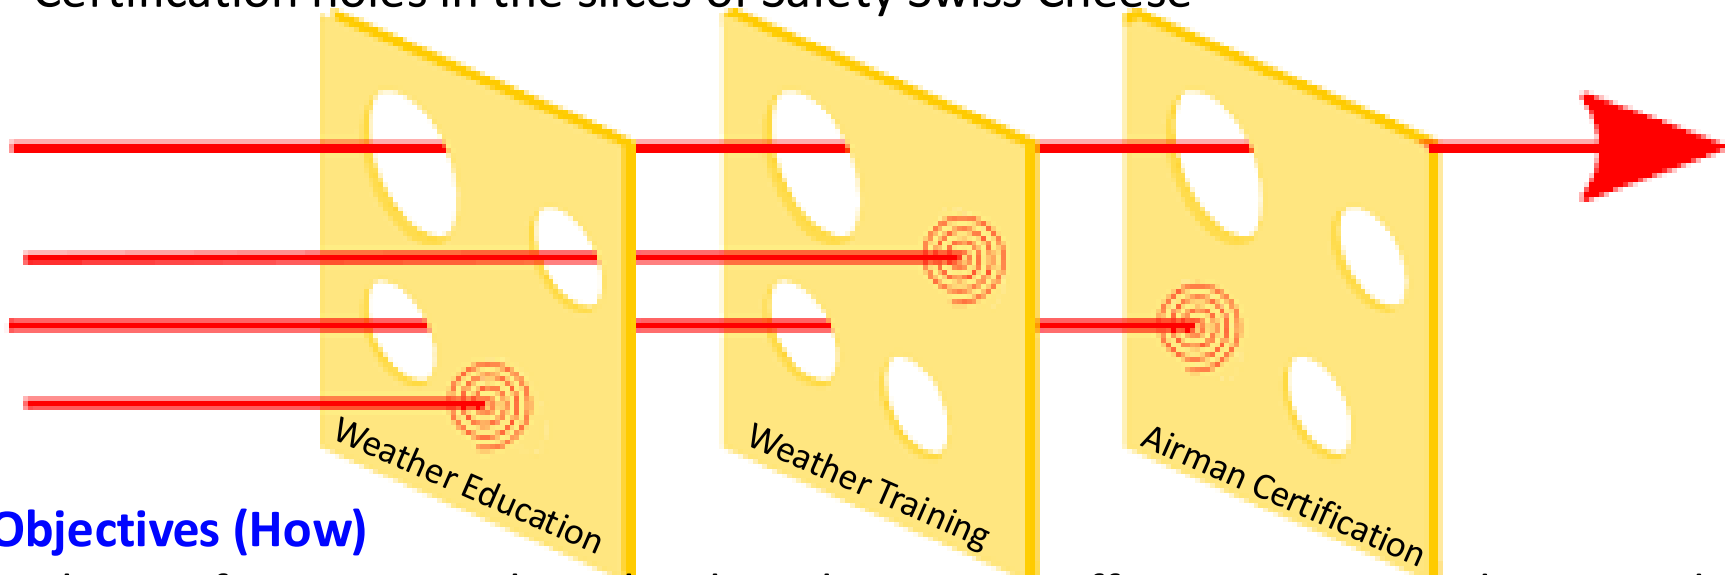

The MITRE Corporation

mfronzak@mitre.org

Goals and Objectives

Goals (What)

- Shrink the size of the Weather Education, Weather Training and Airman Certification holes in the slices of Safety Swiss Cheese
- Shift the alignment of the Weather Education, Weather Training and Airman Certification holes in the slices of Safety Swiss Cheese

Objectives (How)

- Share information with each other about more effective ways to educate and train
- Identify one or more positions that FPAW can turn into White Papers and advocate for
- Define problem statements that FPAW can pass along to appropriate authorities
